In addition to healing workshops she has spoken at women's meetings and conferences, the last being a conference in March in Port Charlotte, Florida where she led a workshop on:

The Arms that Embrace You

Have you experienced verbal or physical abuse? Have you been through an abortion, a divorce, or struggled with a chronic debilitating disease? Dianne has and her story will lead you to the very freedom God had in mind for you! Come and experience how His love can change your life, too!

Dianne's life was one secular song after another until she stumbled into the arms of Jesus, her one true love.

Dianne, a wife, mother and grandmother, is an author, a prophetic preacher/teacher, and a speaker. She is co-founder of The Evans Ministries. They have developed tools such as Bible Discovery Groups and Healing Workshops to encourage others in their relationship with the Lord and with each other.

There is no charge for Dianne speaking at your group. A love offering is appreciated.
